Dear Friend of The Lowell School:

The Lowell School has distinguished itself as a New York State Regents approved and accredited not-for-profit non-public special education program that serves children with learning disabilities from elementary through high school age from all five boroughs, as well as Long Island and Westchester. Our students are offered an appropriate education and the opportunity to learn in an environment that offers highly individualized teaching and services.

To continue our mission, we need your help! There is a growing gap between the actual cost of educating our students and the funding that we receive from the state. On Sunday, April 29, 2018, we will be celebrating our 50th Golden Anniversary at our annual *“Love for Lowell”* benefit at Terrace on the Park in Flushing Meadows Park. In the past, funds raised at *“Love for Lowell”* have helped us maintain and add critical resources to help our students become achievers and reach their potential. These funds are used to help pay for individual remedial reading and math teachers, student socialization programs, art, music, computers, sports programs, and extracurricular activities.

You can also support The Lowell School by purchasing journal ads. Your donation will be acknowledged in our *“Love for Lowell”* benefit journal. Please complete the attached forms and return to us either via regular mail, email, or fax at (929) 329-0696. **If you have any questions or would like an electronic form, please do not hesitate to contact us at iveks1523@gmail.com or lon@nyc.rr.com, (917) 848-0768, or (917) 698-1896.**

Thank you in advance for your generous support. It will go a long way toward helping all of our students achieve their goals and dreams. We look forward to hearing from you.

Sincerely,

Irina Melamed
